# INSPIRATION

Inspired by the sun – sol.  
Begeistert von Design – puri.

solpuri verbindet die Lebensenergie der Sonne mit der Klarheit gelungener Gestaltung. Draußen zu verweilen, outdoor im Hier und Jetzt zu sein, das bedeutet für solpuri, jenseits üblicher Standards neue Impulse für Lebensqualität und einzigartiges Design zu setzen.

Inspired by the sun – sol.  
Driven by design – puri.

solpuri combines the vital energy of the sun with the clarity of excellent design. For solpuri, spending time outside in the here and now, means transcending the usual standards and creating a better quality of life with our unique designs.

Ein gemütliches Frühstück,  
 ein entspanntes Sonnenbad oder  
 ein lauer Sommerabend mit Freunden  
**solpuri schafft Lieblingsplätze  
 unter freiem Himmel.**

Der Balkon, die Terrasse oder  
 der eigene Garten sind mehr denn je  
 zu wichtigen Plätzen von gemeinsamen  
 Momenten oder kurzen Alltagsauszeiten geworden.  
 Jeder sucht seinen Lieblingsplatz  
 – im Schatten oder in der Sonne –  
 um kostbare Stunden draußen zu genießen.

A leisurely breakfast, lazily sunbathing in the afternoon  
 or a balmy summer evening with friends  
**solpuri creates favourite places under the open sky.**

The balcony, the terrace or garden have more  
 than ever become important places for shared moments  
 or short everyday timeouts.  
 Everyone is looking for a favourite place  
 – in the shade or in the sun –  
 to enjoy the precious time outside.

# LIVING

„Freude an Design  
 ist Freude am Leben.  
 Diese Prämisse des  
 Gestaltens prägt auf  
 unvergleichliche Weise  
 unsere Entwürfe.“

“Joy of design is joy of living.  
 This design premise uniquely  
 characterises all of our designs.”

Christof Schulte

### High responsibility for the environment

When designing and developing our furniture, we consider the careful treatment of our resources. All our materials are low-pollutant and recyclable.

All our wooden components are fairly traded, and our suppliers are certified by the German TÜV. The timber is grown naturally and processed without chemicals.

### Hohe Verantwortung für die Umwelt

Bei der Konzeption und Entwicklung unserer Möbel legen wir größten Wert auf einen schonenden Umgang mit unseren Ressourcen. Alle unsere verwendeten Materialien sind schadstoffarm und recyclebar. Die von uns verarbeiteten Holzkomponenten werden fair gehandelt, und unsere Lieferanten sind dafür vom Deutschen TÜV zertifiziert. Das Holz ist natürlich gewachsen und frei von Chemikalien verarbeitet worden.

“solpuri stands for extremely high-quality materials, the sustainable use of resources and advanced manufacturing technology in the interests of unique processing.”

„solpuri steht für hochwertigste Materialien, den nachhaltigen Umgang mit Ressourcen und modernste Fertigungstechnik zugunsten einzigartiger Verarbeitung.“

Florian Mesch

# QUALITY

### Uncompromisingly high-quality metalwork

For our stainless steel and aluminium collections, we only use the highest quality alloys which guarantee high stability and a long life. Through the use of complex castings and thick-walled construction elements, precisely processed frame constructions are created using state-of-the-art production technologies. A final finish by hand gives every piece of furniture the finishing touch.

### Kompromisslos hochwertige Metallverarbeitung

Für unsere Edelstahl- und Aluminium-Kollektionen verwenden wir ausschließlich hochwertigste Legierungen, die eine hohe Stabilität und lange Lebensdauer garantieren. Durch den Einsatz von komplexen Gussteilen und dickwandigen Konstruktionselementen entstehen unter Anwendung modernster Fertigungstechnologien präzise verarbeitete Rahmenkonstruktionen. Ein abschließendes Hand-Finishing verleiht jedem Möbel seinen letzten Schliff.

# DESIGN

Design is the art of combining beauty and functionality with the highest levels of comfort. We work with renowned designers to create timeless, minimalist furniture for those beautiful moments outdoors – a modern interpretation of legendary Bauhaus design, committed to the highest level of seating comfort.
